CERTIFICATE OF COMPLETION

THIS IS TO CERTIFY THAT

Mohammad Sajjaduddin

DATA ANALYTICS

As part of the program with Hexa Solutions, he successfully completed an industry-oriented Data Analytics project.

Throughout the project, he worked on data collection and cleaning, exploratory data analysis (EDA), statistical analysis, and data visualization using Python, SQL, Excel, and Power BI/Tableau. He applied analytical techniques to solve business problems and gained practical exposure to industry-standard workflows.

We appreciate his commitment and congratulate him on the successful completion of the project.
